Keep trying Cavitt, Ernest has had years of experience.

Bridges, are you still waiting on Vicki?

That's ok. Dacus, not all seniors are perfect!

I didn't set that fire.

Robin, you can only have one!

You're in trouble now!

We don't need your kind.

Some people do anything to get out of class.

We're not backwards, just confused.

Let's forge this pass!

Joy,

It seems like we've been together for along time, but as you know its only been about a year and ~~a~~ half. It seems so long I guess because we've grown so close while we've been having fun. Fun, friendship, and your love are memories that I shall always hold in my heart, of you. Babe, what else can I say, you should know by now just how greatly I love you and I hope the times ahead of us will be even better then the days passed. ~~Remeb~~ Remember how we met in Bakers and just about killed each other. WOW! That was great, but after that remember our fust date with Randy and Sharon. OH NO! too bad we had to listen to Randy huh! I don't know were you got the ~~go~~ nerve to put up with me. But I'm very glad you did!!! I pray the days ahead of us will be beautiful moments spent together. But, if for some unfortunate reason they aren't, I only ask that you hold somewhere in your heart some memories of me. Good Luck and Cheer in the rewarding days which will only come to you after you've met all of you're challenges. May Gods light always shine down on you and may all you wishes and dreams come true. E specially those wishes and dreams which are too be spent with me.

all my love with a rainbow added, Mark +SOS
